Blavod Black Vodka Takes the Spotlight

FOR IMMEDIATE RELEASE - 02/01/06

BLAVOD BLACK VODKA the world's only black vodka is taking off as party promoters and celebrities discover it's smooth, unique appeal. Blavod makes exceptional and striking cocktails like no other vodka can because of its color but the flavor is pure, super premium vodka. "Close your eyes and you'd think it was one of the best clear vodkas you've ever tasted" says Larry Leggett head of Next Level Entertainment. Blavod vodka quickly takes the spotlight at events like the All Black Affair billed as the 'party of the year' in Jackson, MS attended by Houston Texans Corey Bradford and Hot 97.7FM radio personality Kwasi Kwa as well as Hollywood events like the Radio Music Awards with Snoop Dogg and parties for entertainers like Jamie Foxx and Usher.
